

Life Cycle UK presents

# Bike Back

**Bikes  
Wanted!**

**Bristol's Biggest Bike Recycling Project**

**Providing  
affordable  
and reliable  
recycled bikes  
for Bristol**

**We want  
old and  
abandoned  
bikes!**

# Bike Back

## Bring us your bikes

Bikes of all shapes and sizes are needed for Bike Back Bristol's bike recycling project.

We want your abandoned and unloved bikes - and any spare bike parts too.

## What we do

With the help of prisoners at Bristol Prison (Horfield) your bike will be stripped down and refurbished so it's good as new; shiny and clean, with worn parts replaced and maybe even a re-spray.

Then your bike will be sold at a low-cost to someone else. Simple!

## How to donate bikes

Take your bike and any unwanted parts to:

**CREATE Centre, Smeaton Road, BS1 6NX**

**St Philips Recycling Centre, Folly Lane, BS2 0QS**

**Avonmouth Recycling Centre, Kingsweston Lane, BS11 0YS**

**SOFA Project, 48-54 West Street, BS2 0BL**

To get your hands on a fully refurbished bike visit:

[www.lifecycleuk.org.uk](http://www.lifecycleuk.org.uk) and find your nearest pick up point.

Bike Back is being run by Life Cycle UK in partnership with HMP Bristol, SOFA Project and Bristol City Council, funded with a grant from Greater Bristol's Cycling City project.
