

## **Fitting your cycle stands**

The guidelines overleaf show you how to install your bike stands correctly. If you are unable to fit the stands yourself, the following companies may be able to assist:

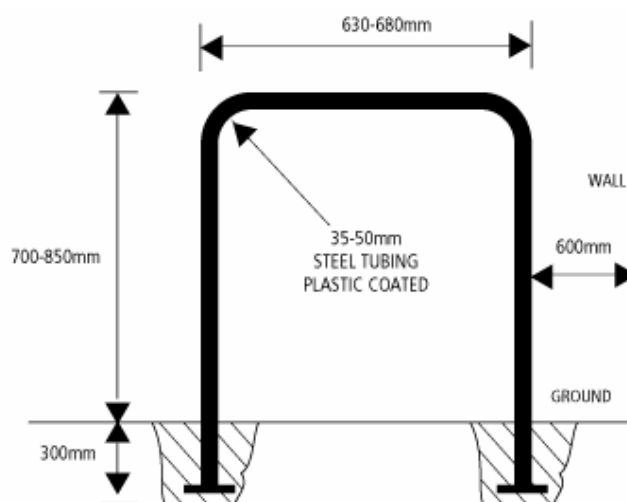

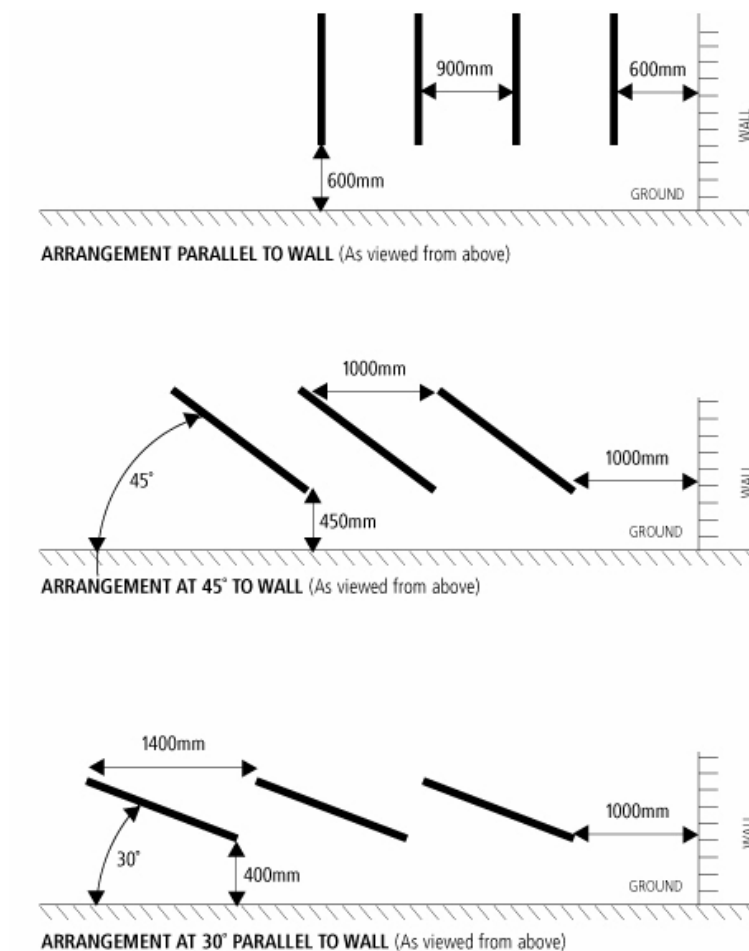

Lowrey Contractors  
200 South Liberty lane  
Bedminster Down  
Bristol BS3 2TW  
0117 963 7111

Hambrook Building Specialists  
2 York Street  
Clifton  
Bristol BS82YE  
07967 646130

Fabrick Ltd  
133 Downend Road  
Bristol BS7 9PY  
0117 904 0908

Remember! Your must notify us that the stands have been installed by the agreed date... or we will invoice you!

Please follow these instructions to install your bike stands correctly. If you have any questions or need technical advice please contact us.

If you have the bolt-down type of cycle stand they need to be secured with 12mm expansion bolts (not supplied).
