

West of England Works (WoEW's)

The West Of England Works project (<http://www.westofenglandworks.org.uk/>) is an exciting partnership which aims to help unemployed and economically inactive people in the West of England find employment. They offer:

- ✓ Community-based support
- ✓ Individualised programme to help participants achieve their personal employment goals
- ✓ Find personalised ways to remove the barriers to employment or education
- ✓ Could include elements of advocacy with employers etc.,
